CADETS TO PARADE FOR PREPAREDNESS

All Public Schools in Capital Will Be Closed Wednesday.

PACIFISTS MAKE PROTEST AGAINST THE PROCESSION

Board Members Admonish One Speaker Who Denounces Administration.

High school cadets of Washington will take part in the "preparedness" parade Wednesday. Also the schools will be closed for the day. This is in accordance with the final decision of the board of education, reached at a meeting yesterday after the body had once decided the cadets should not parade, and after listening to two-hour arguments by "pacifists," one of whom became so pronounced in denouncing the present administration that he had to be admonished by the board. Several of the speakers denounced the preparedness parade as mere political chicanery, and no small part of them intimated that the "patriotic spirit" backing it is being created by the coffers of the war barons.

The motion to close the schools for the parade was carried without a dissenting vote. When the proposition came up to allow the cadet regiments to participate, as requested by Chairman William F. Gude of the parade committee, in a letter to the board, the request was voted down by a vote of 4 to 3.

Board Passes on Parade Order. No member spoke for a few moments after President Henry P. Blair had called attention to the fact that Chairman Gude had asked for more than the mere closing of the schools. Then William T. Gallier made a motion to order the cadets to parade, but so modifying it that any boy might be exempted upon his own or his parents' request.

When the vote was taken Mr. Gallier, Miss Edith Kingman Kern and Mrs. Susie Root Rhodes voted to authorize the cadets to parade. John B. Lerner, Dr. Creed W. Childs, Fourn Poyton and Mrs. Coralie F. Cook voted in the negative. President Blair was in hearty accord with the affirmative, but pointed out that the motion was lost even though he should cast his vote.

Mr. Lerner, who is a good thing and a step in the right direction, I do not believe it means war. But it is a question of whether these children should be ordered out.

The Vote Is Changed. "When an opportunity of this sort comes up, I think we should take advantage of it," said Mr. Blair. "The boys will be disappointed, I believe."

Stephen E. Kramer, assistant superintendent of schools and directly in charge of the military organization, spoke briefly, emphasizing the same point. "This will come as a bitter disappointment to the cadets," said Mr. Kramer. "We have the finest cadet regiment in the country—probably in the world."

Mr. Lerner then made a motion to reconsider the action and in the subsequent vote took the affirmative, thus setting four votes for the parade and three against the other members voting as in the first case.

Representative Warren Worth Bailey of Pennsylvania was one of those who appeared before the board and urged that children of the public schools not be asked to parade—another request made by the parade committee.

Speaker Is Admonished. "I should be sorry indeed to see the schools prostituted to the interests of the politicians," he said. "Preparedness is one of those 'weasel words' of which we have heard recently. It is not preparedness but militarism and I
